CS+ Device Information for RH850 Family V7.00.01

Oct. 01, 2018

Outline

CS+ device information for RH850 family has been updated from V7.00.00 to V7.00.01.

1. Products and Versions to Be Updated

- CS+ Device Information for RH850 V3.00.00 or later
- CubeSuite+ Device Information for RH850 (CubeSuite+ DevInfo_RH850) V1.00.04 or earlier

Check the version number of “CS+ Device Information for RH850” or “CubeSuite+ DevInfo_RH850” by following the steps listed under [Components] from the URL below.

https://www.renesas.com/cs+_ver

2. Items Revised

The main feature of the update is as follows. For details, refer to the following URL:

This information will be available on October 5.

https://www.renesas.com/cs+/eng/CSPlus_DevInfo_RH850.html

2.1 Addition of Supported Devices

Support for devices in the following group has been added:

- RH850/D1M group (D1M1-V2)
- RH850/E1M-S2 group

2.2 Modification of Device Information

The device information in the following groups has been modified:

- RH850/D1M group (D1M1, D1M1H, D1M1A, D1M2, D1M2H)
- RH850/D1L group

3. Updating Your Product

CS+ device information can be updated online free of charge. Update method varies by the edition of your CS+.

Note: A license for C Compiler Package V1 for RH850 (CC-RH) cannot eliminate the restrictions on the evaluation edition of C Compiler Package V2 for RH850 (CC-RH).

To lift the restrictions and use the Compiler V2 for RH850 (CC-RH), please purchase the professional edition of C Compiler Package V2 for RH850 (CC-RH).

3.1 For CS+ V3.00.00 or Later

To update your program, use either of the following methods:

- (1) Start menu → Programs, select Renesas Electronics CS+ to start the Update Manager. This service will be available on October 5.

Note: If you start CS+ when the rapid start is enabled, exit CS+ and start the Update Manager. When CS+ is contained in the notification area (system tray) in Windows due to rapid start, an error occurs and the following message is output:

M0120001

Installation is suspended because "CubeSuiteW+.exe" is running.

Installation will be resumed next time you start the tool.

- (2) Download the software tools from the following URL for installation:

The program will be available on October 5.

https://www.renesas.com/cs+_download

3.2 For CubeSuite+ V2.00.00 ~ 2.02.00

Update your program in the same way as section 3.1.

3.3 For CubeSuite+ V1.03.00 or Earlier

Download and install the evaluation edition of CS+ for CC V7.00.00 from the following URL. After installation, update your program in the same way as section 3.1.

The program will be available on October 5.
