

RENESAS TOOL NEWS on August 1, 2012: 120801/tn1

Integrated Development Environment CubeSuite+ Revised to V1.02.01

We have revised the CubeSuite+ from V1.02.00 to V1.02.01.

1. Products to Be Updated

CubeSuite+ V1.00.00 through V1.02.00
(including the CubeSuite+'s common program group was updated to V1.02.01)

To check to see your common program group's version, follow these steps:

- (1) Start CubeSuite+.
- (2) On the Help menu, select the About command.
- (3) In the Version Information dialog box, see the version number of CubeSuite+.

Here the expression displayed is not CubeSuite+'s Common Program Group, but it shows the version number of this software.

2. Descriptions of Revision

2.1 CubeSuite+ Common Program (with the building, debugging, and analysis capabilities, and other)

This program has been updated from V1.02.00 to V1.02.01.

For details of V1.02.01 of the program, see at:

<https://www.renesas.com/search/keyword-search.html#genre=document&q=120701tn2>

2.2 Compiler CA78K0R (build tool)

This compiler has been updated from V1.40 to V1.41.

Processing in the status where the license key is not inputted has been improved.

2.3 Device Information

(1) CubeSuite+ Device Information for V850 (CubeSuite+ DevInfo_V850)

This information has been updated from V1.00.06 to V1.00.07.

For details of V1.00.07 of the product, see at:

<https://www.renesas.com/search/keyword-search.html#genre=document&q=120701tn3>

(2) CubeSuite+ Device Information for RX Family (CubeSuite+ DevInfo_RX)

This information has been updated from V1.00.01 to V1.00.02.

For details of V1.00.02 of the product, see at:

<https://www.renesas.com/search/keyword-search.html#genre=document&q=120701tn4>

(3) CubeSuite+ Device Information for RL78 Family and 78K

(CubeSuite+ DevInfo_RL78_78K)

This information has been updated from V1.00.07 to V1.00.08.

For details of V1.00.08 of the product, see at:

<https://www.renesas.com/search/keyword-search.html#genre=document&q=120701tn5>

2.4 Integrated Help

This help file has been updated from V1.02.00 to V1.02.01.

In the file of V1.02.01 supported the compiler CA78K0R V1.41.

3. Updating Your Products

Online update is available. You can update your commercial or evaluation edition of CubeSuite+ by either of the following methods:

(1) On the Start menu, select Programs and then Renesas Electronics

CubeSuite+; then start the update manager to update yours.

This service will be available on August 1, 2012.

(2) Download the free-of-charge evaluation edition of CubeSuite+

V1.02.01 from the Web site at:

https://www.renesas.com/cs+_download

Then install them. The installer will be published on this site on August 6, 2012.

The above URL is one of our global sites.

4. Obtaining Evaluation Edition

You can evaluate functions and performances of CubeSuite+ before purchasing any of its licenses. Download the evaluation edition of CubeSuite+ at:

https://www.renesas.com/cs+_download

The installer will be published on this site on August 6, 2012.

The above URL is one of our global sites.

When installing the evaluation edition, enter your license key for CubeSuite or optionally available CubeSuite+, and you can use it as the commercial edition.

5. Ordering Products

When ordering, please contact your local Renesas Electronics marketing offices or distributor.
