Old Company Name in Catalogs and Other Documents

On April 1st, 2010, NEC Electronics Corporation merged with Renesas Technology Corporation, and Renesas Electronics Corporation took over all the business of both companies. Therefore, although the old company name remains in this document, it is a valid Renesas Electronics document. We appreciate your understanding.

* 1. Confirmation

We will produce masks based on the mask files generated by the mask file generating utility. We shall assume the responsibility for errors only if the mask ROM data on the products we produce differs from this mask file. Thus, extreme care must be taken to verify the mask file inthe submitted floppy disk.

The submitted floppy disk must be 3.5-inch 2HD type and IBM format. And the number of mask files must be 1 in a floppy disk.

File code :					(hex)
Mask file name :					.MSK (alpha-numeric 8-digit)

2. Mark specification

Mark specification must be submitted using the correct form for the package being ordered. Fill out the appropriate mark specification form (100P6Q) and attach it to the mask ROM confirmation form.

* 3.Usage conditions

For our reference to test the part, please fill out the following questions about the usage of the products you ordered.

(1) Type of XIN-XOUT oscillation circuit

Ceramic resonator	Quartz-crystal oscillator
External clock input	Other ()
Frequency	
f(XIN) = MHz
