To all shareholders

Renesas Electronics Corporation

We would like to express our deep gratitude to our shareholders for their exceptional support.

As part of our Company's aims to deepen dialogue with our shareholders, we will hold a shareholder meet and greet session following the closing of the 20th Ordinary General Meeting of Shareholders.

As with the General Meeting of Shareholders, this session will be subject to the same infection control measures for preventing the spread of Covid-19, including limiting the number of attendees at the venue. We therefore would like to invite to this event the shareholders who have registered for in-person attendance at the General Meeting of Shareholders. (\*From the 21st General Meeting of Shareholders onwards, we will consider alternative methods of holding this event to allow more shareholders to participate.)
