Background:

- Recently, IDT issued End of Life Notices, for which there were retractions and amendments that were published later.
- The main reasons for these End of Life Notices were a shift from leaded to lead-free packages, and due to a Freescale fab continuity of supply.

- N-12-26 had different versions of MPC92429 parts, all of which are being discontinued. It identified 'leaded' replacement parts, which was an error.
- N-12-26R1 changes the leaded replacement parts to unleaded replacement parts.
