

Product Advisor (PA)

Subject: Correction to Standard Microcircuit Drawing 5962-99558 for Intersil Products HSO-1825A*

Publication Date: 8/5/2016

Effective Date: 8/5/2016

Revision Description:

Initial Release

Description of Change:

This advisory is to inform you that Intersil has made corrections to DLA (Defense Logistics Agency) Land and Maritime SMD (Standard Microcircuit Drawing) 5962-99558 for the following Intersil products:

Intersil Marketing Part Number	DLA PIN
HSO-1825ARH-Q	5962F9955801V9A
HSO-1825AEH-Q	5962F9955802V9A
HSO-1825ARH/Sample	

The update corrects the die dimensions and die plot listed in the SMD. This is a correction only, no change to the product.

Reason for Change:

The correction aligns the SMD with the product characteristics. Details regarding the change are contained below. The updated SMD is available on the DLA website at:

<https://landandmaritimeapps.dla.mil/programs/smcr/default.aspx>

Die dimensions:

Changed from: 4710 microns x 3570 microns

Changed to: 4860 microns x 3410 microns

Product Identification:

Product affected by this change is identifiable via Intersil's internal traceability system.

Qualification status: not applicable

Sample availability: 8/5/2016

Device material declaration: Available upon request

Questions or requests pertaining to this change notice, including additional data or samples, must be sent to Intersil within 30 days of the publication date.
