1. Target product

Product	Control Code ^{Note}	Remark
QB-V850ESFX2-xxx-yyy	A, B	xxx and yyy are arbitrary codes. It is not necessary to upgrade a control code C.

Note For the identification method for the control code, see the Operating Precautions supplied with the product.

2. Upgrade details

The optional functions for IECUBE series are now supported.

See the following document for details on the optional functions.

“IECUBE Series In-Circuit Emulators for V850 Series; Support for Optional Functions”
 (ZBG-CD-05-0048)

After upgrading, the control code will be C.

3. Upgrade start date

From November 1, 2005.

The upgrade described herein will be provided for free for a period of one year from the above date. After the free upgrade period expires, an upgrade will be available for a fee. We therefore recommend that you take advantage of the free upgrade offer during the free upgrade period.
