3. How to upgrade

(1) μ SAB17CA703000 and μ SBB17CA703000

- If the CD is not required: Free upgrade

Download the upgraded software from the **Development Tools Download** webpage. When using this method, the CD will not be delivered but the upgrade is free of charge.

English version: <http://www2.renesas.com/micro/en/ods/>

Japanese version: <http://www2.renesas.com/micro/ja/ods/>

- If the CD is required: Charged upgrade

Fill in the essential items in the attachment *Application for Software Product Charged Upgrade* and send it to a Renesas Electronics distributor or sales representative. When using this method, a fee will be charged for the upgrade and the CD will be delivered.

The part number to be entered in the form depends on the purchased product. The correspondence between the purchased product and the part number after upgrade is as follows:
