

Audio Voice Secure Document Access Guide

Secure portal documents NDA

Secure portal documents normally require NDA to be signed first.

For signing NDA, we recommend to contact regional Renesas sales representative to be able to get the NDA signed.

How to get access to target secure document

After obtaining sufficient NDA in place, please contact regional sales to contact Audio product line support team or marketing for access

Support contact:

- wav.support@renesas.com or
- Cvm.support@renesas.com

Marketing contact:

DLG-marketingwav@lm.renesas.com

After the access is granted, the secure portal document will be available on MyRenesas page like below example:

The screenshot displays the MyRenesas user interface. On the left, there is a navigation menu with the following items: Overview, Edit Profile, Change Password, Change Email Address, Delete Account, Document Update Notifications, Obtain Subscription License Key, and Software/Tool Registration. Below this menu is a section titled "My Secure Portals" with a dropdown menu showing "Audio and Voice" selected. The main content area on the right features a header "MyRenesas" and a sub-header "Document Update Notifications". Below this, there is a paragraph explaining that MyRenesas provides access to secure content upon approval, document update notifications, specialized newsletters, profile customization, and more. A yellow button labeled "Manage Document Update Notification Settings" is visible. Below this, there is a section titled "Free Samples" with a paragraph stating that free samples are available for thousands of products and that users can browse the website or enter their part number to begin. At the bottom of this section, there is a text input field labeled "Enter Orderable Part Number:".
