Quote related FAQ

Q: How to create a new CPN

Select “New” in the drop-down menu in “IDT PN/CPN” field.

In the New CPN window, enter the CPN in “CPN” field, check the “Show In Search” check box and click the “Save” button.

Special note: please ensure that the CPN contains “no spacing” after the last character of the CPN.

This is the CORRECT way to create new CPN (no spacing after the last character).

This is the INCORRECT way to create new CPN (contains spacing after the last character).

Q: How to set Alert in ModelN

In IDT Home page, click on the  on the top right of the page.

In “Selected View” drop-down menu, select “Notification Rules”.

Click the “New” button.

Enter a Rule Name in the “Rule Name” field, and select the relevant criteria from the “Notify me when” drop-down.

| Rule Definition | |
