Notwithstanding any termination of this Agreement, your confidentiality obligations under this Agreement shall survive indefinitely with respect to any Confidential Information.
6. You acknowledge that, due to the unique nature of the Confidential Information, the unauthorized use or disclosure of Confidential Information or any other breach or threatened breach of your obligations will cause Renesas irreparable harm for which there will be no adequate remedy at law and for which monetary damages will not be a sufficient remedy. Accordingly, Renesas shall be entitled to seek, without waiving any other rights or remedies, such injunctive or equitable relief as may be deemed proper by a court of competent jurisdiction.

The arbitration award shall be final and binding upon the parties hereto and shall be conducted in the English language. The arbitration award shall be final and binding upon the parties hereto and shall not be subject to appeal to court; and judgment on the award may be entered in any court having jurisdiction thereof.
11. You may not assign or delegate this Agreement, or its rights or obligations under this Agreement, in whole or in part, without the prior written consent of Renesas.
12. This Agreement embodies the entire understanding between the parties pertaining to its subject matter and supersedes all prior or contemporaneous representations, negotiations, conditions, communications, and agreements, whether oral or written, between the parties relating to the subject matter hereof and all past courses of dealing or industry custom. Section 1. (Definition)

As used herein, the following terms shall have the meanings set forth below:

- 1.1 “End User” means an individual, who works for Customer as an employee or independent contractor, and whose primary work location is in the designated Use Area and whom the Customer authorizes to access and use the Program Product as permitted by this Agreement.
- 1.2 “Program” means the computer program for the RENESAS LSI as set forth in Appendix A.
- 1.3 “Documentation” means the documentation relevant to the Program as set forth in Appendix A.
- 1.4 “Program Product(s)” means the Program and the Documentation, collectively.
- 1.5 “RENESAS LSI” means RENESAS semiconductor product as set forth in Appendix A.
- 1.6 “Reference Platform” means reference platform as listed in Appendix A, which shall incorporate the RENESAS LSI.
- 1.7 “Open Source Software” means each of (i) any software that contains, or is derived in any manner (in whole or in part) from, any software that is distributed as free software, open source software or similar licensing or distribution models; and (ii) any software that requires as a condition of use, modification and/or distribution that such software or other software incorporated into, derived from or distributed with

such software: (a) be disclosed or distributed in source code form; (b) be licensed for the purpose of making derivative works; or (c) be redistributable at no charge.

- 1.8 “Use Area” means a single geographical site that the Customer owns or occupies as Customer’s place of business, which may consist of one or more buildings located within 5 miles of one another, and in which the End Users for that Program are all located, except as modified by the right to allow Customer’s employees to telecommute.

Section 2. (License Grant)

- 2.1 Subject to the terms and conditions set forth in this Agreement, RENESAS hereby grants to Customer a personal, non-exclusive, non-transferable, royalty-free license, with no rights to sublicense to others, for the sole purpose of internally evaluating the function of the Program Product on the Reference Platform (the “**Purpose**”):
- (i) to use the Program;
 - (ii) to modify the source code portion of the Program and compile into object code;
 - (iii) to develop the demonstration environment incorporating the Program on the Reference Platform (“Demo Environment”);
 - (iv) to display the Demo Environment on the occasion of exhibitions and so on; and
 - (v) to use and copy the Documentation only to the extent reasonably necessary to exercise the license granted in Sub-Sections (i) through (iii) above.
- 2.2 Customer may not delegate its license rights under Section 2.1 to any third party (“Subcontractor”) unless it has obtained written consent from Renesas which will subject to conditions imposed by licensors of RENESAS. The Subcontractor shall only use the Program Product within the Use Area. Customer shall impose on such Subcontractor the same obligations and restrictions contained in the Agreement and shall remain responsible for such contractor’s compliance with such obligations and restrictions. Alternatively, the Subcontractor may enter into a separate license contract with RENESAS directly to get access to the Program Products.
- 2.3 Customer shall not reverse engineer, reverse compile or disassemble the object code portion of the Program.
- 2.4 Customer shall not sublicense, rent, assign, transfer or otherwise dispose of the Program Products and its license to any third party.
- 2.5 Customer shall not alter, remove or delete, and shall reproduce any copyright, patent or other proprietary rights notice or markings contained on or within the Program Products.
- 2.6 In addition to the license terms and conditions set forth herein, Customer agrees to comply with the additional license terms and conditions set forth in Appendix B corresponding to the Program Product identified in Appendix A.
- 2.7 In the case that Customer uses the Program Products with any Open Source Software, Customer acknowledges and agrees that Customer shall continue to be bound by the terms and conditions set forth herein for use of the Program Products. Customer shall take all necessary measures to avoid the application of the terms and conditions of Open Source Software to the Program Products.
- 2.8 Except as expressly provided herein, no rights or licenses shall be granted to Customer in connection with the Program Products.

- 2.9 If Customer breaches the restrictions set out in Section 2.1 above and uses the Program Product for any purposes other than the Purpose, without prejudice to other rights and remedies RENESAS has under this Agreement, Customer shall pay to RENESAS a license fee equal to RENESAS's license fee for the commercial version plus maintenance for the commercial version of the Program Product as determined by RENESAS, as Customer recognizes and agrees that damages for such a breach would be difficult to assess, and such payment represents a reasonable assessment of the potential damage to RENESAS, and that this amount is a reasonable, liquidated amount and not a penalty.
- 2.10 Customer may allow its End Users to use the Program Product only when they are in the designated Use Area, except that (i) any Customer's employee, whose primary work location is in the designated Use Area, and whose primary residence is within 50 miles of the designated Use Area, may access the Program Product from their primary residence through a secure network that requires a secure ID card or other more protective security safeguards. In case Customer needs to use the Program Product beyond the foregoing limitation of the Use Area, Customer shall notify RENESAS and discuss with RENESAS.

Section 3. (Ownership)

- 3.1 Nothing contained herein shall transfer or be deemed to transfer to Customer any title, interest or intellectual property rights in Program Products, which shall remain an exclusive property of RENESAS and/or licensor(s) of RENESAS.
- 3.2 The title, interest or intellectual property rights in the modification of the Program created by or for Customer hereunder shall be owned by Customer, subject to the underlying title, interest and/or intellectual property rights in Program Products retained by RENESAS and/or licensor(s) of RENESAS in accordance with Section 3.1 above.

Section 4. (Confidentiality)

- 10.1 This Agreement shall continue in force for 360 days from the date Customer agreed by appropriate method ("Effective Date") unless sooner terminated pursuant to Section 10.2.
- 10.2 RENESAS may immediately terminate this Agreement by giving a written notice of termination to Customer:
- (i) if Customer breaches any of the provisions of this Agreement;
