

Product Change Notice (PCN)

Subject: Change to Cu wire and change factory for Synergy, RA2A1, RA4, RA6 HWQFN package product

Publication Date: 6/26/2020

Effective Date: 1/1/2021 MP start sequentially depending on the preparation situation of each products

Revision Description:

Initial Release

Description of Change:

- 1) Material: Standard materials are used in new factory
 - 1-1) Bonding wire change to Copper (Cu) from Gold (Au)
 - 1-2) Lead frame, Plating (PPF→Pure-Sn), Die mount material and Mold resin material change
- 2) Factory
 - 2-1) Assembly factory:
 - Current: Amkor Technology Japan Kumamoto
 - New: Powertech Technology Inc., Group/ Greatek Electronics Inc.,
 - 2-2) Sorting factory:
 - Current: Amkor Technology Japan Kumamoto
 - New: King Yuan Electronics Co., Ltd
- 3) Package outline: JEDEC compliant
 - There are changes in dimensions.
 - The package surface becomes matte but does not affect the reliability.
- 4) Marking on package
 - 4-1) Font change
 - 4-2) Lot number of manufacturing change (from 9 digit to 7 digit)
 - 4-3) Delete country of origin indication
- 5) Packaging material:
 - 5-1) Tray change
 - 5-2) Addition of bundling band color (Black)
 - 5-3) Emboss tape change
 - 5-4) Reel for emboss taping change
- 6) Storage condition after opening: JEDEC compliant
 - Current product: Amkor Technology Japan: Within 30°C/ 70%RH/ 168h
 - New product: Powertech Technology Inc., Group: Within 30°C/ 60%RH/ 168h

Affected Product List:

Synergy and RA HWQFN package products.
Please refer to attached products list for details.

Reason for Change:

For Synergy and RA MCU products, we continuously add manufacturing factories and change assembly materials for stable supply.
For HWQFN package products, manufacturing factories and assembly materials also are changed this time.

Impact on Fit, Form, Function, Quality & Reliability:

QC flow, fit, form, function, quality and reliability: There is no change.

Product Identification:

From the packing label or trace code, the production history data can be inquired.

Qualification Status: Renesas will complete the qualification for end of Oct.

Sample Availability Date: 11/1/2020

Sequentially provide customer sample. Please refer to attached products list for details.

Device Material Declaration: Please contact Renesas sales, distributor or agency.

- Note:
1. Acknowledgement must be received by Renesas within 30 days or Renesas will consider the change as approved.
 2. If timely acknowledgement is provided by Customer, then Customer shall have 90 days from the date of receipt of this PCN to make any objections to this PCN. If Customer fails to make objections to this PCN within 90 days of the receipt of the PCN then Renesas will consider the PCN changes as approved.
 3. If customer cannot accept the PCN then customer must provide Renesas with a last time buy demand and purchase order.

For additional information regarding this notice, please contact your Renesas sales representative.
