Initial Release

Description of Change:

Renesas is changing the marking format by replacing “IDT” with “REN” as shown in the below diagram. No change to form, fit, function, reliability and quality of the product.

During transition of change, customer is expected to receive shipment with two different marking till the inventories with old marking are depleted.

Affected Product List: HS3001, HS3002, HS3003, HS3004

Reason for Change:

To replace IDT with Renesas due to acquisition.

Impact on Fit, Form, Function, Quality & Reliability:

The change has no impact on the form, fit, function, quality, reliability and environmental compliance of the products.

Product Identification:

Change in marking.

Qualification Status: Not applicable

Sample Availability Date: Not applicable

Device Material Declaration: Not applicable

Note:

1. Acknowledgement must be received by Renesas within 30 days or Renesas will consider the change as approved.
2. If timely acknowledgement is provided by Customer, then Customer shall have 90 days from the date of receipt of this PCN to make any objections to this PCN. If Customer fails to make objections to this PCN within 90 days of the receipt of the PCN then Renesas will consider the PCN changes as approved.
3. If customer cannot accept the PCN then customer must provide Renesas with a last time buy demand and purchase order.
