# **PRODUCT CHANGE NOTICE**

**Data Sheet Specification  
Change for Intersil Product  
ISL55164CNEZ**

**Refer to:  
PCN11134**

**Date: December 14 2011**

December 14, 2011

To: Our Valued Intersil Customer

Subject: **Data Sheet Specification Change for Intersil Product ISL55164CNEZ**

This notice is to inform you that Intersil has changed the data sheet specification for product ISL55164CNEZ. The change to the maximum limits for spec numbers 12400 and 12410 in the Power Supply section align the data sheet with the product characteristics and are necessary to maintain product manufacturability in support of customer delivery requirements. Modifications to the data sheet specification incorporating the changes are complete. The updated data sheet is available upon request.

The data sheet electrical specification changes are as follows:

DC Electrical Specifications - Power Supplies								
Spec #	Parameter	Current Limit			New Limit			Units
		Min	Typ	Max	Min	Typ	Max	
12400	VCC_SV	28	33	39	28	33	41	mA
12410	VCC_SV	28	33	39	28	33	41	

There have been no changes made to the die/silicon or device itself. There will be no change in external marking of the packaged parts. Parts affected by this change are identifiable via Intersil's internal traceability system.

Intersil will take all necessary actions to conform to agreed upon customer requirements and to ensure the continued high quality and reliability of Intersil products being supplied. Customers may expect to receive product electrically screened to the revised data sheet beginning *ninety* days from the date of this notification or earlier with approval.

If you have concerns with this notice, Intersil must hear from you promptly. Please contact the nearest Intersil Sales Office or call the Intersil Corporate line at 1-888-468-3774, in the United States, or 1-321-724-7143 outside of the United States.

Regards,

Jon Brewster  
Intersil Corporation
