

Product Change Notice (PCN)

Subject: Part Marking Change for the ISL8200AMMRZ* Packaged Product

Publication Date: 4/30/2018

Effective Date: 7/29/2018

Revision Description:

Initial Release

Description of Change:

This notice is to inform you that Renesas Electronics America Inc is changing the part marking (device level brand) for the listed ISL8200AMMRZ* product. The details of change are summarized as below and in Appendix A:

Part Number (Notes 1, 2, 3)	Current Part Marking	New Part Marking
ISL8200AMMRZ	ISL8200AM	ISL8200AMM
ISL8200AMMRZ-T	ISL8200AM	ISL8200AMM

Affected Product List
ISL8200AMMRZ
ISL8200AMMRZ-T

Reason for Change:

There is a conflict in marking between the ISL8200AMIRZ and the ISL8200AMMRZ, both products used the same marking on the device package. The datasheet and product marking for the ISL8200AMMRZ has been updated to contain an additional “M” in the marking to differentiate the products. The datasheet has been modified to reflect this change and is available at: [ISL8200AM* Datasheet](#)

Impact on fit, form, function, quality & reliability:

The change will have no other impact on the form, fit, function, quality, reliability and environmental compliance of the devices.

Product Identification:

Product affected by this change is identifiable via Renesas’s internal traceability system.

Qualification status: Not applicable

Sample availability: 4/30/2018

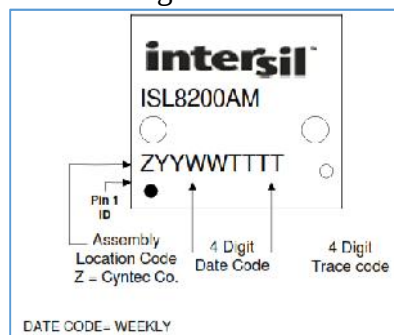

Device material declaration: Available upon request

Questions or requests pertaining to this change notice, including additional data or samples, must be sent to Renesas within 30 days of the publication date.
