

## Product Advisory (PA)

**Subject:** Hooking shape change of inner boxes for Tape & Reel products

**Publication Date:** 2/9/2024

**Effective Date:** 7/1/2024

### Revision Description:

Initial Release

### Description of Change:

The shape of the hook part of the inner box (inner part) for  $\phi 330$  size Tape & Reel products will be changed to no hook.

This change will be applied sequentially starting with shipments in July 2024.

Thereafter, inner boxes with hooks and without hooks will be shipped in parallel.

Affected inner box P/N: RE-03 and RE-04

Please check the inner box model on the bottom of the box.

(For details of the affected products, please refer to the subject product list on Page 2 onwards.)

| Item             | Current                                                                                                                                                                                  | After the change                                                                                                                                                                               |
|------------------|------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|
| Inner hook shape |  <p>With hooks</p>  |  <p>Without hooks</p>  |

**Reason for Change:** To improve the assembly process of inner boxes.

### Impact on Fit, Form, Function, Quality & Reliability:

No impact on fit, form, function, quality, and reliability of our devices.

(Compressive strength test of the interior box has been conducted, and it has been confirmed that the strength is the same with and without hooks)

**Qualification Status:** N/A

**Sample Availability Date:** N/A

**Device Material Declaration:** N/A

### Note:

Questions or requests pertaining to this change notice, including additional data or samples, must be sent to Renesas within 30 days of the publication date.

For additional information regarding this notice, please contact your Renesas sales representative.
