## **Data Sheet Specification Update for Intersil Product ZL2106\***

**Refer to:  
PA10129**

**Date: December 15, 2010**

December 15, 2010

To: Our Valued Intersil Customers

Subject: **Data Sheet Specification Update for Intersil Product ZL2106\***

This advisory is to inform you that Intersil has updated the data sheet specification for the listed ZL2106\* products. The updates to the voltage tracking section provide additional information regarding the tracking features, operation, and configuration options of the part for tracking. As of this notice, the data sheet updates are complete. The updated data sheet is available on the Intersil web site at <http://www.intersil.com/data/fn/fn6852.pdf>.

Products affected: **ZL2106ALCN ZL2106ALCNT ZL2106ALCNTK**

Intersil will take all necessary actions to conform to customer requirements and to ensure the continued high quality and reliability of Intersil products being supplied. Customers may expect to continue receiving product processed to the same established conditions and systems used for screening of material supplied today.

If you have concerns with this product advisory, Intersil must hear from you promptly. Please contact the nearest Intersil Sales Office or call the Intersil Corporate line at 1-888-468-3774, in the United States, or 1-321-724-7143 outside of the United States.

Regards,

Jon Brewster
