

Subject: Intersil Device Procurement Status Change – NCNR Removal

Publication Date: 11/1/2017

Effective Date: 11/1/2017

Revision Description:

Initial Release

This letter is to inform you that Intersil is removing the NCNR (Non-Cancelable Non-Returnable) order designation for the listed device(s) beginning November 01, 2017. The parts will now be listed as standard products and follow the Terms and Conditions for standard products. Orders placed after the status change will be eligible for participation in future stock rotation, ship from stock and debit, re-pricing, rebates or return programs as applicable. Current inventory will not be eligible for future stock rotation, ship from stock and debit, re-pricing, rebates or return programs.

Affected product: ISL98607IRTZ-TR5622; ISL98607IRTZR5622

If you have concerns with this change, Intersil must hear from you promptly. Please contact the Intersil Distribution Manager servicing your area or call the Intersil Corporate line at 1-888-468-3774, in the United States, or 1-321-724-7143 outside of the United States.
