

RENESAS TECHNICAL UPDATE

1753, Shimonumabe, Nakahara-ku, Kawasaki-shi, Kanagawa 211-8668 Japan
Renesas Electronics Corporation

Product Category	Linear IC		Document No.	TN-WLI-A002A/E	Rev.	1.00
Title	Change of Cover tape		Information Category	Change in packing specification		
Applicable Product	HWQFN0303-16pin	Lot No.	Reference Document	-		
	HWQFN0404-20pin HWQFN0404-24pin HWQFN0404-28pin	Since Oct.2014				

1. Application product

It changes the cover tape for HWQFN0303-16pin,HWQFN0404-20/24/28pin product.

2.Reason of Change

To standardize the taping material.

3. Change in electric characteristics etc.

There is no change of the peeling strength, electric characteristics and reliability accompanying this change.

It's the transparent as follows.

(Change)

(Current)

(Change)

(Current)

HWQFN0303

HWQFN0404

4. Applied Timing

This new tape production will start from Oct./2014

New and old specification may be shipped in contemporary by condition of stock.

5. Applicable Products

(HWQFN0303-16)

R2A20150NP#W5,R2A20162NP#W5,R2A20166NP#W5,R2A20168NP#W5

(HWQFN0404-20)

R2A20158NP#W5,R2A20169NP#W5

(HWQFN0404-24)

R2A20178NP#W5,R2A35213NPW0

(HWQFN0404-28)
