1. Affected product

| Product | Outline | Control Code ^{Note} |
|------------------|--|------------------------------|
| IE-789862-NS-EM1 | Emulation board for μ PD789862 Subseries | A, B |

It is not necessary to upgrade control code C.

2. Details of upgrade

The bug (No.11) described in "IE-789862-NS-EM1 Emulation Board for μ PD789862 Subseries Usage Restrictions" (ZBG-CD-04-0020) will be corrected (addition of specifications). After upgrading, the control code will be C.

See the document for details of the bug.

3. Upgrade petition period

From June 28, 2004.

The upgrade described herein will be provided for free for a period of one year from the above date. After the free upgrade period expires, an upgrade will be available for a fee. We therefore recommend that you take advantage of the free upgrade offer during the free upgrade period.

Note The "control code" is the second digit from the left in the 10-digit serial number in the warranty supplied with the product you purchased (if it has not been upgraded). If the product has been upgraded, a label indicating the new version is attached to the product and the x in V-UP LEVEL x on this label indicates the control code.
