

To our customers,

Old Company Name in Catalogs and Other Documents

On April 1st, 2010, NEC Electronics Corporation merged with Renesas Technology Corporation, and Renesas Electronics Corporation took over all the business of both companies. Therefore, although the old company name remains in this document, it is a valid Renesas Electronics document. We appreciate your understanding.

7630Group

The contents of 7630 group users manual (Rev2.0 / December, 1999 issue) have the following description errors.

When using this manual, please be careful.

Correction part

- P186 3.3 Note on use
- (5)Notes on status flags in decimal mode

<<Error>>

When decimal mode is selected, the values of three of the flags in the status register (the N, V, and Z flags) are invalid after a ADC or SBC instruction is executed.

<<Correction>>

When decimal mode is selected, the value of V flag in the status register is invalid after a ADC or SBC instruction is executed.
