RENESAS Tool News

Note on Using Flash Development Toolkit

When using Flash Development Toolkit, take note of the following problem:

- With using the read-back verify function

---

1. Product and Versions Concerned

Flash Development Toolkit
  V.4.00 Release 00 through V.4.05 Release 01

2. Description

If you use the read-back verify function of the product concerned, the product may terminate abnormally.

3. Solution

This problem does not arise in Flash Development Toolkit V.4.06 Release 00 and later. So please use the V.4.06 Release 00 or later product.

You can update yours to its latest version. To do so, download the latest version from:
