R20TS0584EJ0100

Rev.1.00

Jun. 01, 2020

RX Family

RTC Module Firmware Integration Technology

Outline

When using the product in the title, note the following point.

1. Adding a FIT module to a project in e² studio

1. Adding a FIT Module to a Project in e² studio

1.1 Applicable Products

- RTC module Firmware Integration Technology (RTC FIT module)

The applicable revision numbers and document numbers are as follows.

Table 1.1 RTC FIT module applicable products

RTC FIT module revision number	Document number
Rev.2.78	R01AN1817EJ0278

1.2 Applicable Devices

RX110, RX111, RX113, and RX130 groups

RX231/RX230, and RX23W groups

RX64M, RX65N/RX651, and RX66N groups

RX71M, RX72M, and RX72N groups

1.3 Details and Conditions

If you download the RTC FIT module from e² studio, the downloaded RTC FIT module does not appear in the Smart Configurator window for adding components. Therefore, the RTC FIT module cannot be added to a project.

1.4 Workaround

The RTC FIT module (Rev.2.78) is also included in the following RX Driver Package. The RTC FIT module downloaded from the RX Driver Package does appear in the Smart Configurator window for adding components. Therefore, download the RX Driver Package and add the RTC FIT module.

Table 1.2 Products which include the RTC FIT module (Rev.2.78)

RX Driver Package product name	RX Driver Package revision number	Document number
RX Family RX Driver Package Ver.1.26	Rev.1.26	R01AN5401EJ0126

1.5 Schedule for Fixing the Problem

This problem will be fixed in the next version.
