2. Updating the Product

Download the file from the link below to update the Flash Programmer.

(The files will be uploaded on April 20.)

<https://www.renesas.com/software-tool/renesas-flash-programmer-programming-gui#download>

From V3.08.02, the free-of-charge edition and upgrade program of the Renesas Flash Programmer are consolidated in a single file for downloading. This file now serves as the form of delivery for the evaluation software.

To update the product you have purchased, use the file in the link above.

3. Purchasing the Product

Contact your local Renesas Electronics sales office or distributor and inform them of the product information.

Regarding the price of the product, contact the sales office or distributor.

For the product name and orderable part number, please refer to the link below.
