---

### 1. Items Revised

#### 1.1 Addition of Supported MCUs

Support for the MCUs listed below will be newly added.

##### (1) RH850 family

RH850/E1L group

R7F701201 and R7F701205

RH850/E1M-S group

R7F701202 and R7F701204

RH850/F1H group

R7F701501 and R7F701521

##### (2) RL78 family

RL78/D1A group

R5F10DPK, R5F10DPL, R5F10DSJ, R5F10DSK, and R5F10DSL

RL78/I1D group

R5F11768, R5F1176A, R5F11778, R5F1177A, R5F117A8, R5F117AA,  
R5F117AC, R5F117BA, R5F117BC, R5F117GA, and R5F117GC

##### (3) V850 family

V850E2/PG4-S

UPD70F4159

#### 1.2 Problem Fixed

The problem regarding the point below will be fixed.

Applicable Version: Renesas Flash Programmer V2.05.00  
MCUs to which this notice applies: RH850/F1H group

Description:

Executing a verify command in minimum-unit programming mode for the data flash memory may lead to the following errors.

- (1) "Error (E1014041): Reading Data - Address error" might be displayed when the verify command is executed for a readable MCU.
- (2) "Error (E1020021): Verify error" might be displayed when the verify command is executed for a non-readable MCU.

## 2. Updating

Online updating of the Renesas Flash Programmer is possible.  
Download the installer from the URL below to install the program.

[https://www.renesas.com/rfp\\_download](https://www.renesas.com/rfp_download)  
The installer is scheduled for posting on April 6.

## 3. How to Obtain Evaluation Software

Download the evaluation software from the URL below to evaluate the functions and performance of the product before purchasing the commercial version of the software.

To do so, download the evaluation edition from the web site at:

[https://www.renesas.com/tool\\_evaluation](https://www.renesas.com/tool_evaluation)  
The installer is scheduled for posting on April 6.

## 4. How to Purchase the Software

To order the software, contact your local Renesas Electronics marketing office or distributor with the following information.

Product name: Renesas Flash Programmer, a software tool for programming  
flash memory

Order model name: R0C00000FDW12R

As for the prices, contact your local Renesas Electronics marketing office or distributor.
