1.1 Addition of Supported MCUs
   Support for the MCUs listed below will be newly added.
   (1) RH850 family
      RH850/F1L group
       R7F701008, R7F701009, R7F701016, and R7F701021
      RH850/F1M group
       R7F701548, R7F701553, R7F701569, and R7F701589
      RH850/P1M group
       R7F701312, R7F701318, and R7F701319

   (2) RX family
      RX231 group
       R5F52315A, R5F52316A, R5F52317A, R5F52317B, R5F52318A,
       and R5F52318B
      RX23T group
       R5F523T3 and R5F523T5
      RX634 group
       R5F5634BC, R5F5634BY, R5F5634DC, R5F5634DY, R5F5634EC,
       and R5F5634EY

2. Updating Your Product
   Online updating of the Renesas Flash Programmer is possible.
   Download the installer from the URL below to install the program.

The installer is scheduled for posting on July 6.
 https://www.renesas.com/rfp_download

3. How to Obtain Evaluation Software
   Before purchasing the product, you can evaluate its performance and
   functionality by using the evaluation edition.
   To do so, download the evaluation edition from the Web page at the URL
   below.
   The installer will be available on this page from July 6.
    https://www.renesas.com/tool_evaluation

4. How to Purchase the Software
