## e2 studio, Eclipse open-source based Integrated Development Environment, revised to V3.0.1.08

We have revised the e2 studio integrated development environment (IDE) from V3.0.1.07 to V3.0.1.08.

For an overview of the product, see the following page:

<https://www.renesas.com/e2studio>

---

### 1. Product and Versions to Be Updated

e2 studio V3.0.0 through V3.0.1.07

You can check the version number of your e2 studio in the dialog box opened by selecting "About e2 studio" from the "Help" menu of the e2 studio.

### 2. Description of Revision

The information on the following MCUs has been modified:

- RX110 group
- RX111 group
- RX21A group
- RX64M group

### 3. Updating Your Product

Online updating is available free of charge.

If the e2 studio installed on your computer is V3.0.0 or a later version, update your e2 studio in either of the ways described under 3.1 and 3.2 below.

If you are using V2.2 or an earlier version, get the installer for V3.0.0 (V3.0.0.22) from the following URL and install V3.0.0, and then update it from that version in either of the ways described under 3.1 and 3.2 below.

[https://www.renesas.com/e2studio\\_download](https://www.renesas.com/e2studio_download)

### 3.1 Automatic updating

Select "Check for Updates" from the "Help" menu of the e2 studio to automatically update your e2 studio.

This service will be available from July 1, 2014.

### 3.2 Downloading the update file from the web site

The file will be published on this site on July 7, 2014.

Once the file is available, update your e2 studio through the following steps:

- (1) Download the update file "e2\_studio\_3.0.1.08\_device\_update.zip" (e2 studio Differential Update program V3.0.1.08) from the following URL:  
[https://www.renesas.com/e2studio\\_download](https://www.renesas.com/e2studio_download)
- (2) Select "Install New Software..." from the "Help" menu of the e2 studio.
- (3) Click on the "Add" button in the "Install" dialog box to open the "Add Repository" dialog box.
- (4) Click on the "Archive" button and select the update file that was downloaded in step (1).
- (5) Click on the "OK" button to return to the "Install" dialog box, then click on the "Select All" button.
- (6) Ensure that the "Group items by category" checkbox is selected and click on the "Next" button.
- (7) The "Install Details" screen appears. Click on the "Next" button.
- (8) The "Review Licenses" screen appears.  
Select "I accept the terms of the license agreement" and click on the "Finish" button.
