
PRODUCT CHANGE NOTICE

**Data Sheet Specification
Change for Intersil Product
EL5393A***

**Refer to:
PCN10096**

Date: September 22, 2010

September 22, 2010

To: Our Valued Intersil Customers

Subject: **Data Sheet Specification Change for Intersil Product EL5393A***

This notice is to inform you that Intersil is changing the data sheet specification for the listed EL5393A* products. The change in the I_{SOFF} (*Supply Current - Disabled*) maximum limit is necessary to maintain product manufacturability in support of customer delivery requirements. Modifications to the data sheet specification are complete and the updated data sheet is available on the Intersil website at <http://www.intersil.com/data/fn/fn7195.pdf>.

Products Affected: **EL5393ACS EL5393ACS-T7**

The data sheet specification changes are as follows:

Parameter	Description	Current Limit		New Limit		Units
		Typ	Max	Typ	Max	
I_{SOFF}	Supply Current - Disabled	100	150	300	450	μA

There will be no change in external marking of the packaged parts. Parts affected by this change are identifiable via Intersil's internal traceability system.

Intersil will take all necessary actions to conform to customer requirements and to ensure the continued high quality and reliability of Intersil products being supplied. Customers may expect to receive product electrically screened to the revised limit beginning *ninety* days from the date of this notification or earlier with approval.

If you have concerns with this change notice, Intersil must hear from you promptly. Please contact the nearest Intersil Sales Office or call the Intersil Corporate line at 1-888-468-3774, in the United States, or 1-321-724-7143 outside of the United States.
