

## Price Increase Notice

**Subject:** Price Increase for the Listed Renesas Electronics America Products

**Publication Date:** 8/30/2019

**Effective Date:** 9/29/2019

To: Our Valued Customers

Please be aware that effective September 29, 2019 prices for some of Renesas Electronic America's legacy Intersil Analog products will be increased. Although there is a broad range of increase percentages, the average is 15 – 25%.

Customer orders received prior to the effective date will be at the present price. All new orders and any existing backlog will be at the new price. The price increase affects products listed on the following page(s).

These adjustments to the prices are necessitated by increased materials, maintenance, and overhead costs which must be amortized over decreasing quantities of these products. We recognize that continuity of supply is very important, and this increase will help reinforce continued long-term manufacturing of these products. Renesas Electronics America Inc. intends to supply these products to our current customers for the foreseeable future.

Please forward this letter to people in your organization that may be impacted by these price increases.

If you have any questions pertaining to this notice, kindly contact Renesas Electronics Distribution Manager in your respective location.
