Refer to: PCN10074

Date: July 14, 2010

INTERSIL CORPORATION | 1650 Robert J. Conlan Blvd. | Palm Bay, FL USA 32905 | Telephone 321-724-7000 | www.intersil.com

July 14, 2010

To: Our Valued Intersil Customers

Subject: Data Sheet Specification Change for Intersil ISL54406* Product

This notice is to inform you that Intersil has updated the data sheet specification for the listed ISL54406* products. The changes align the data sheet with the product characteristics and are necessary to maintain product manufacturability in support of customer delivery requirements. Modifications to the data sheet specification are complete. The updated data sheet is available on the Intersil web site at http://www.intersil.com/data/fn/fn6578.pdf.

Products affected: ISL54406IRTZ ISL54406IRTZ-T ISL54406IRUZ-T

Data Sheet specification changes are as follows:

Thermal Information				
Thermal Resistance	θJC(°C/W)			
	Current	New		
10 ld µTQFN	62	105		
Electrical Specifications				
Parameter	Temp	mp Maximum Limit		Units
	(°C)	Current	New	Units
Shutdown Current, I _{SHDN}	25	5	50	nA

There will be no change in external marking of the packaged parts. Parts affected by this change are identifiable via Intersil's internal traceability system.

Intersil will take all necessary actions to conform to customer requirements and to ensure the continued high quality and reliability of Intersil products being supplied. Customers may expect to receive product electrically screened to the revised limit beginning *ninety* days from the date of this notification or earlier with approval.

If you have concerns with this change notice, Intersil must hear from you promptly. Please contact the nearest Intersil Sales Office or call the Intersil Corporate line at 1-888-468-3774, in the United States, or 1-321-724-7143 outside of the United States.
