Reason for Change:

Renesas Electronics acquired Dialog Semiconductor on August 31, 2021.

As part of Renesas internalization, Renesas ex-Dialog site is required to move testers and products to Renesas internal factory located in Penang, Malaysia.

Impact on Fit, Form, Function, Quality & Reliability:

Renesas Penang site is qualified. There will be no impact on fit, form, function, quality and reliability.

Product Identification:

Production identification will be unchanged.

For additional information regarding this notice, please contact your Renesas sales representative.
