For details of the modification, see the Web page at:

https://www.renesas.com/cubesuite+/CubeSuitePlus_DevInfo_RL78_78K.html
This page will be updated on December 17.

3. Updating Your Product

Online update is available. How to update yours depends on your product's edition.

3.1 Updating commercial edition of CubeSuite+

On the Start menu, select Programs and then Renesas Electronics CubeSuite+ to start the Update Manager.

This service will be available on and after December 17.

If your product is CubeSuite+ whose common program group is of V1.03.00, you can download CubeSuite+ DevInfo_RL78_78K V1.00.10 from the Web site at:

https://www.renesas.com/cs+_download
and then install it.

The above program will be published on this December 20.

The above URL is one of our global sites.

3.2 Updating evaluation edition of CubeSuite+ V1.03.00

Update yours by using either of the method in 3.1 above.

3.3 Updating evaluation edition of CubeSuite+ V1.02.00 or V1.02.01

On the Start menu, select Programs and then Renesas Electronics CubeSuite+ to start the Update Manager.

This service will be available on and after December 17.

3.4 Updating evaluation edition of CubeSuite+ V1.01.01 or earlier

To update yours, follow these steps:

(1) Download evaluation edition of CubeSuite+ V1.03.00 from the Web site at:

https://www.renesas.com/cs+_download
Then install it.

The above URL is one of our global sites.

(2) Update yours by using either of the method in 3.1 above.
