

End Of Life Notice
Notification – PLC21013
[12 February 2021]

To: Our Valued Customers

Overview: The purpose of this notification is to communicate that Renesas Electronics has begun the End-of-Life (EOL) Process on select part numbers.

We regret to announce that the supplier contracted by Renesas to assemble power modules built using the High Density Array (“HDA”) technology has informed us of their plans to discontinue support for this technology, with final shipments this year. We have been unable to negotiate an extension to this timeline, nor have we identified a suitable alternate manufacturing site. It is thus necessary to move these modules to end-of-life status.

Renesas fully appreciates the challenges this unexpected development will cause your programs, and we are committed to working with you to minimize the impact.

We want to ensure your lifetime buy needs are fully supported. To that end, please coordinate with your Renesas account executive to place orders for the lifetime quantities required of each HDA power module you use by 31 March 2021, with delivery requested no later than 30 September 2021.

Renesas cannot guarantee fulfillment of any orders received after 31 March 2021.

To avoid future situations like this one, Renesas has been developing new power modules using a variety of multi-sourced assembly technologies. **We remain committed to the power module product category** and will continue to release new families of power module products.

We apologize for the difficulty and look forward to working with you on a smooth transition.

Affected Products:

Attached is a list of products affected by this notification.

Part numbers given in the attached list are for active part numbers in the Renesas Electronics database at the time of this notification.

Key Dates:

Standard Product	
Final Last Time Buy (LTB) Orders placed after this date will not be processed.	31-Mar-21
Last Shipment (LTS)	30-Sept-21

Response: Please place LTB orders in a timely manner prior to the key dates listed to avoid product availability issues. Shipments between the LTB and LTS dates are Non-Cancelable and Non-Returnable (NCNR).

Renesas Electronics America Inc. will attempt to honor all such purchase orders and scheduled delivery dates, but reserves the right to not accept new orders or to cancel existing orders if such orders cannot be filled through reasonable commercial effort.

Any order resulting from this notice shall be governed by Renesas's General Terms and Conditions Available at: [General Term and Conditions](#) or the applicable legal terms covering the purchase and sale transaction.

Please work with your sales representative or Field Applications Engineer to determine suitable replacement devices.

Please contact your local sales representative or Central Applications @ 1-888-468-3774 for any questions or comments.

Thank you for your attention.

Sincerely,
Renesas Electronics
