## 2. How to Update Your Product

Online update is available free of charge. Use AutoUpdate Utility on and after October 21; otherwise use the following procedure:

(1) Download the update program of the product from the Web site at

[http://www.renesas.com/e8\\_download](http://www.renesas.com/e8_download)

The above URL is that of our global site (in English).

(2) Then execute the downloaded program.

### NOTICE:

Only the debugger package edition is published as the V.2.11 Release 01 product. The debugger package edition contains E8 Emulator Debugger and High-performance Embedded Workshop only.

If the above update program is executed in the system where High-performance Embedded Workshop V.4.04.00 or earlier resides, it will be updated to V.4.04.01.
