**Note:**
- C : Capacitor
- D : Diode
- R : Fixed Resistor
- U : Integrated Circuit
- X : Crystal, Oscillator
- RES : Reset Switch
- SW : Switch
- LED : Light Emitting Diode
- J : Connector
- JP : Jumper
- X: Signal cut pattern.

* "DNF" marking means that component is not fitted by default.*
Note: In case of EX_VCC supply, → SS1,2,4,5,7,8: Cut pattern for isolate TARGET.

Provides cut pattern for current measure of TARGET MCU.
Notice

1. Descriptions of circuits, software and other related information in this document are provided only to illustrate the operation of semiconductor products and application examples. You are fully responsible for your use of the circuits, software, and information in the design of your product or system. Renesas Electronics disclaims any and all liability for any losses and damages incurred by you or third parties arising from the use of these circuits, software, or information.

2. Renesas Electronics hereby expressly disclaims any warranties against liability for infringement or any other claims involving patents, copyrights, or other intellectual property rights of third parties, by or from the use of the Renesas Electronics products or technical information described in this document, including but not limited to, the product data, drawings, charts, programs, algorithm, and application examples.

3. No license, express, implied or otherwise, is granted hereby under any patents, copyrights or other intellectual property rights of Renesas Electronics or others.

4. You shall not alter, modify, copy, or reverse engineer Renesas Electronics products, whether in whole or in part. Renesas Electronics disclaims any and all liability for any losses or damages incurred by you or third parties arising from such alteration, modification, copying or reverse engineering.

5. Renesas Electronics products are classified according to the following two quality grades: "Standard" and "High Quality." The intended applications for each Renesas Electronics product depends on the product's quality grade, as indicated below.

   - Standard: Computers, office equipment, communication equipment, test and measurement equipment, audio and visual equipment, home electronic appliances, machine tools, personal electronic equipment, industrial robots, etc.
   - High Quality: Transportation equipment (automobiles, trains, ships, etc.); traffic control (traffic lights); large-scale communication equipment; key financial terminal systems; safety control equipment; etc.

6. "Renesas Electronics product(s)" means any product developed or manufactured by or for Renesas Electronics.

8. Please contact a Renesas Electronics office for details as to environmental matters such as the environmental compatibility of each Renesas Electronics product. You are responsible for carefully and sufficiently investigating applicable laws and regulations that regulate the inclusion or use of controlled substances, including without limitation, the EU RoHS Directive, and using Renesas Electronics products in compliance with all these applicable laws and regulations. Renesas Electronics disclaims any and all liability for damage or losses occurring as a result of your noncompliance with applicable laws and regulations.

9. Renesas Electronics products and technologies shall not be used for or incorporated into any products or systems whose manufacture, use, or sale is prohibited under any applicable domestic or foreign laws or regulations. You shall comply with any applicable export control laws and regulations promulgated and administered by the governments of any countries asserting jurisdiction over the parts or transactions.

10. It is the responsibility of the buyer or distributor, disposer or of, or otherwise sells or transfers the product to a third party, to notify such third party in advance of the contents and conditions set forth in this document.

11. This document shall not be reprinted, reproduced or duplicated in any form, in whole or in part, without prior written consent of Renesas Electronics.

12. Please contact a Renesas Electronics sales office for information contained in this document or regarding registered trade marks.

(Note 1) "Renesas Electronics" as used in this document means Renesas Electronics Corporation and also includes its directly or indirectly controlled subsidiaries.

(Note 2) "Renesas Electronics products" mean any product developed or manufactured by or for Renesas Electronics.
