Meeting Access

This can be accessed online using most well-known internet browsers such as Internet Explorer (not compatible with versions 10 and below), Chrome, Firefox and Safari on a PC, laptop or internet-enabled device such as a tablet or smartphone.

On accessing the meeting website, you will be asked to enter the Meeting ID above.

You will then be prompted to enter your Shareholder Reference Number (SRN) and PIN.

Access to the meeting will be available from 1:45 p.m. on 09 April 2021; however, please note that your ability to vote will not be enabled until the Chair formally declares the poll open.

Broadcast

The meeting will be broadcast in audio format. Once logged in, and at the commencement of the meeting, you will be able to listen to the proceeding of the meeting on your device.

Voting

Once the Chair has formally opened the meeting, the voting procedure will be explained. Once voting has opened, the polling icon will appear on the navigation bar. From here, the resolutions and voting choices will be displayed.

Select the option that corresponds with how you wish to vote. Once you have selected your choice, the option will change colour and a confirmation message will appear to indicate your vote has been cast and received. There is no submit button. If you make a mistake or wish to change your vote, simply select the correct choice. If you wish to “cancel” your vote, select the “cancel” button. You will be able to do this at any time whilst the poll remains open and before the Chair announces its closure.

Shareholders attending electronically may ask questions by typing and submitting their question in writing. Select the messaging icon from within the navigation bar and type your question at the bottom of the screen. To submit your question, click on the arrow icon to the right of the text box.
