Product Change Notice (PCN)

Subject: Add TXC, Taiwan as an Alternate Test Location
Publication Date: 3/10/2022
Effective Date: 6/10/2022

Revision Description:
Initial Release

Description of Change:
Renesas is adding TXC, Taiwan as an alternate Test Location for the select part# that is currently tested at REPG, Malaysia.

This change will allow flexibility to ship from either facility and will provide the increased capacity, shorter lead time to meet market demand. There is no change in the Test processing flows. Test programs are similar at both qualified facilities. Renesas has completed the electrical test correlation, based on the test results, we do not anticipate any impact on device performance. The testing is fully compatible and transferrable between the test facilities with no change to the test coverage.

Affected Product List: XPN736103.000000I

Reason for Change:
To provide increased capacity and second source.

Impact on Fit, Form, Function, Quality & Reliability:
The change will have no impact on the form, fit, function, quality, reliability and environmental compliance of the products.

Product Identification:
Traceability to the test location is available on request.

Qualification Status: Electrical characterization completed successfully. Refer Appendix A
Sample Availability Date: 5/1/2022
Device Material Declaration: Not applicable

Note:
1. Acknowledgement must be received by Renesas within 30 days or Renesas will consider the change as approved.

2. If timely acknowledgement is provided by Customer, then Customer shall have 90 days from the date of receipt of this PCN to make any objections to this PCN. If Customer fails to make objections to this PCN within 90 days of the receipt of the PCN then Renesas will consider the PCN changes as approved.
3. If customer cannot accept the PCN then customer must provide Renesas with a last
time buy demand and purchase order.
