This notification is to advise our customers that there will be a change of material
from silicon bump to bumper tape, which is applied at the package end to prevent
package crack or chip as a result of knocking between units.

Attachment I details the change.

Attachment II provides the affected part numbers.

RELIABILITY/QUALIFICATION SUMMARY:

There is no impact on the package performance and reliability.

CUSTOMER ACKNOWLEDGMENT OF RECEIPT:

IDT records indicate that you require written notification of this change. Please use the acknowledgement below or E-Mail
to grant approval or request additional information. If IDT does not receive acknowledgement within 30 days of this notice
it will be assumed that this change is acceptable.

IDT reserves the right to ship either version manufactured after the process change effective date until the inventory
on the earlier version has been depleted.
