PRODUCT/PROCESS CHANGE NOTICE (PCN)

ATTACHMENT I - PCN # : Q1703-02

PCN Type: Change of Die Size

Data Sheet Change: None

Detail Of Change:

This notification is to advise our customers that select IDT parts are being converted to a 530um x 1007um die size from a 530um x 947um die size as a result of the increased to the saw street width dimension. This change is being made to improve manufacturing capability. Refer to the below illustration.

There is no change to the product design or process technology.
There is also no change to the package, backend manufacturing process or the the data sheet and ordering part number.

Product Electrical Characterization:

Product electrical characterization has been successfully completed and the new die size performance was comparable to the old die size performance.
