<input type="checkbox"/> Lot number traceability	

This change affects datasheet, form, fit, function or reliability of the product
<input type="checkbox"/> Yes <input checked="" type="checkbox"/> No <input type="checkbox"/> Not Applicable

Description of Change:

Change from Au (Gold) bond wire, to Cu (Copper) bond wire, on the part numbers listed in Appendix I. Form, fit, and function, will not change. The device performance will not be affected, and all Datasheet parameters will still be valid. Samples with Cu wire parts will be available 6 weeks after customer request. Only requested part numbers will be sampled. All listed products will start shipping in production with Cu wire on 10/1/2023, unless otherwise agreed in writing.

Should you have any questions, please contact your local Renesas sales office or authorized distributor.

Renesas will deem this change accepted, unless specific written conditions of acceptance are provided by the customer, within 30 days from the date of this notice. Renesas reserves the right to ship either the original version or the new version of the affected product after the Target Production Release Date specified in this notice.
