

Product Change Notice (PCN)

Subject: Packing reel change from 13-inch to 7-inch for Intersil *TKR5632 series products.

Publication Date: 11/6/2015

Effective Date: 2/4/2016

Revision Description:

Initial Release

Description of Change:

Packing reel change from 13-inch to 7-inch for Intersil Product *TKR5632 series products

Reason for Change:

This notice is to inform you that Intersil will begin shipment of new 7-inch packing reel for the listed Intersil *TKR5632 series products. The new 7-inch packing reel has slight change in the reel dimension and will replace the existing 13-inch packing reel. The change will not affect the automated pick and place equipment used for board mount assembly operation. A comparison of the existing 13-inch and new 7-inch packing reel is shown in Appendix B. The pack quantity shall maintain at 1000 units per reel. Customer may still receive the existing 13-inch packing reel after the change effective date until Intersil's inventory is depleted. However, there will be no 13-inch and 7-inch packing reel mixing in a single shipment.

Impact on fit, form, function, quality & reliability:

The change will have no impact on the form, fit, function, quality, reliability and environmental compliance of the devices.

Product Identification:

Product affected by this change is identifiable via Intersil's internal traceability system.

Qualification status: Complete, see attached

Sample availability: 11/30/2015

Device material declaration: Available upon request

Questions or requests pertaining to this change notice, including additional data or samples, must be sent to Intersil within 30 days of the publication date.
