

Product Advisory (PA)

Subject: Change in Quantity per Reel for Select Products from Package Family SOIC-8

Publication Date: 4/1/2022

Effective Date: 4/1/2022

Revision Description:

Initial Release

Description of Change:

This notice is to advise customers that Renesas is changing the quantity per reel for few select products from the current 2,500 to 3,000. With this, the entire products within the package family SOIC-8 will have one standard, which is 3000 units per reel.

Packaging materials remain unchanged.

Affected Product List:

1338-18DCGI8	1339-2DCGI8	252M-62LFT	5T30553DCG8
1338-31DCGI8	1339-31DCGI8	553MILFT-PAC	5T30553DCGI8
91730AMLFT-PAC			

Reason for Change:

To standardize the quantity per reel for all products within the same package family SOIC-8 to assure consistency and to prevent potential quality risk as a result of variations.

Impact on Fit, Form, Function, Quality & Reliability:

The change will have no impact on the fit, form, function, quality and reliability.

Product Identification:

Shipment starting from the effective date of this notice.

Qualification Status: Not applicable.

Sample Availability Date: Not applicable.

Device Material Declaration: Not applicable.

Questions or requests pertaining to this change notice, including additional data or samples, must be sent to Renesas within 30 days of the publication date.
