

**Subject:** Intersil Device Procurement Status Change – NCNR Removal

**Publication Date:** 4/12/2017

**Effective Date:** 4/29/2017

**Revision Description:**

Initial Release

This letter is to inform you that Intersil is removing the NCNR (Non-Cancelable Non-Returnable) order designation for the listed device(s) beginning April 29, 2017. The parts will now be listed as standard products and follow the Terms and Conditions for standard products. Orders placed after the status change will be eligible for participation in future stock rotation, ship from stock and debit, re-pricing, rebates or return programs as applicable. Current inventory will not be eligible for future stock rotation, ship from stock and debit, re-pricing, rebates or return programs.

Affected product:
