

Product Advisor (PA)

Subject: General Announcement of Logo replacement of former Intersil packing and shipping label by Renesas Logo.

Publication Date: 10/13/2017

Effective Date: 12/31/2017

Revision Description:

Initial Release

Description of Change:

Renesas Electronics Corporation has officially acquired Intersil on February 24, 2017. The hyperlink to the announcement is : -

<https://www.renesas.com/en-hq/about/press-center/news/2017/news20170225a.html>

As part of the system integration into Renesas, "Intersil" logo will be removed and replaced by the Renesas logo on the packing box and shipping label. Refer Appendix A for example of logo replacement.

Customer can expect to receive shipments that include either logo on the inner boxes or labels after the effective date, until such time the inventory has been depleted. The outer shipping label will transition to the Renesas logo on the effective date.

Impact on fit, form, function, quality & reliability:

This is a change to the logo only, which could be identified visually. There is no change to the material and critical dimension of the packing box and shipping label. The change will have no impact on the form, fit, function, Package Outline Drawing (POD), Moisture Sensitivity Level (MSL), quality, reliability and environmental compliance of the devices.

Product Identification:

"Intersil" marking on the device package will remain the same (no change). Product affected by this change is identifiable via Intersil's internal traceability system.

If customers have questions regarding this notice, please contact your local sales representative or submit Online Request through Intersil website at : -

<https://www.intersil.com/en/support.html>

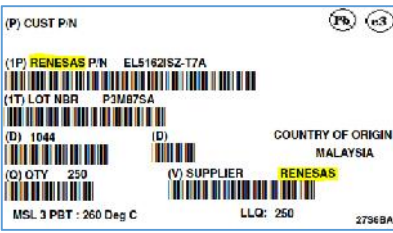

Qualification status: Not Applicable

Sample availability: 1/1/2018

Device material declaration: Available upon request

Questions or requests pertaining to this change notice, including additional data or samples, must be sent to Intersil within 30 days of the publication date.
