
**[Update 2] Notice Regarding Effects of Novel Coronavirus Disease
(COVID-19) on Renesas Business**

Impact from Japan's Emergency Declaration

On April 7 JST, a state of emergency in seven prefectures in Japan consisting of Tokyo, Kanagawa, Saitama, Chiba, Osaka, Hyogo and Fukuoka was declared, beginning from 0:00 JST on April 8, which is expected to last until May 6 JST. We are following guidelines from the government and local authorities and implementing best practices to keep our operations running effectively. There are no plans to shut down headquarters and offices including design centers located within Japan. Employees based in the affected prefectures will continue to work from home. In addition, there are no production sites located in any of the seven prefectures indicated in the declaration of emergency and are all under normal operation at this current time.

Please note that these circumstances are subject to change depending upon the changing conditions in Japan, and/or orders from local authorities. Renesas is available at any time to respond to your questions and will work with you to resolve any issues that may arise following these unprecedented circumstances. Please do not hesitate to contact your local sales representative directly if you have any questions or concerns.
