

To our customers,

Old Company Name in Catalogs and Other Documents

On April 1st, 2010, NEC Electronics Corporation merged with Renesas Technology Corporation, and Renesas Electronics Corporation took over all the business of both companies. Therefore, although the old company name remains in this document, it is a valid Renesas Electronics document. We appreciate your understanding.

Thank you for using our product.

The note on installation shown below will be applied when you install the H8SX/1582 FP-120B package on the NQPACK120SE (manufactured by Tokyo Eletech Corporation) attached with the H8SX/1582 E6000H user system interface cable (HS1582ECH61H).

[Note on Installation]

Before installing the H8SX/1582 FP-120B-packaged IC on the NQPACK120SE attached with HS1582ECH61H, carefully remove burrs from the four corners of the IC. If the IC is forcibly installed without removing the burrs, the IC lead may be bent and remains of the burrs may cause a contact failure between the IC and the socket.
