Export of a Renesas Starter Kit Accessory to the U.S.A.

Important notice regarding export of an AC module power source for use in Japan only as an accessory of some Renesas Starter Kits.

For details of the Renesas Starter Kits, refer to the URL below.

<https://www.renesas.com/rsk>

1. Description

The AC module power sources for use in Japan only which are accessories of some Renesas Starter Kits do not conform to the Efficiency Level VI standard for external power supplies of the U.S. Department of Energy (DoE), which has been adopted by the California Energy Commission (CEC). Do not export them to the U.S.
