Information on Extending Effective Date of Application for Free-of-Charge Distribution of Problem-Fixed M38049T-CNV

(Related to MAEC TOOL NEWS TN-10 Issued on March 16, 2003)

We inform you of extending the effective date of application for the free-of-charge distribution of the problem-fixed M38049T-CNV board. This board resolves the problem stated in MAEC TOOL NEWS TN-10 issued on March 16, 2003.

For details of the above news item and the problem-fixed board, please go to MAEC TOOL NEWS "Notes on Using Emulator MCU M38049RLSS for the 3803/3804 Group and Free-of-Charge Distribution of Problem-Fixed Board M38049T-CNV" issued on March 16, 2003.

1. Description

We have extended the effective date of application for the free-of-charge distribution of the problem-fixed M38049T-CNV board as follows:

Effective date of application: From now to March 31, 2005 inclusive

Note that we started supplying the problem-fixed M38049T-CNV board bundled with the M38049RLSS MCU on this September 1, so if you purchased the M38049RLSS on that date or later, you need not make this application.

2. How to Apply for Free-of-Charge Distribution of the M38049T-CNV

See MAEC TOOL NEWS "Notes on Using Emulation MCU M38049RLSS for the 3803/3804 Group and Free-of-Charge Distribution of Problem-Fixed Board M38049T-CNV" issued on March 16, 2003
