## Revisions to User's Manual for Flash Self Programming Library Type01 for the RL78 Family, Released in Japan and Intended for Use in Japan and Other Asian Countries

The user's manual for Flash Self Programming Library Type01 for the RL78 Family, released in Japan and intended for use in Japan and other Asian countries will be revised from Rev. 1.02 to Rev. 1.03.

---

### 1. Applicable Users' Manual

Title: RL78 Family Flash Self-Programming Library Type01

Japanese Release User's Manual

Document number: R01US0050EJ0102

### 2. Description of Revision

#### 2.1 Document Number

The document number after the revision will be as follows:

Document number: R01US0050EJ0103

#### 2.2 Revisions

Added notes and modified erroneous descriptions.

For details, see "APPENDIX A REVISION HISTORY" in the user's manual.

### 3. Obtaining the Revised Document

Download the document from the web through the following steps (the new file will be posted on February 5).

(1) Visit the web site at:

[https://www.renesas.com/self\\_prg\\_lib\\_document](https://www.renesas.com/self_prg_lib_document)

(2) Click on the link with the label below to download the file.

Title: RL78 Family Flash Self Programming Library Type01  
User's Manual

#### 4. Supplement

With the revision of the User's Manual, the zip file for the Flash Self Programming Library will be revised as follows.

New zip file name: JP\_R\_FSL\_RL78\_T01\_V2.20\_A\_E.zip  
(the new file will be posted on February 5)

Old zip file name: 20130222\_FSLRL78 Type01 V2.20\_E.zip

The only changes to the zip file are the revised user's manual and its release note. The Flash Self Programming Library itself within the zip file will not be revised.

Obtain the zip file for the Flash Self Programming Library through the following steps.

(1) Visit the web site at:

[https://www.renesas.com/self\\_prg\\_lib\\_download](https://www.renesas.com/self_prg_lib_download)

A list of Flash Self Programming Libraries will be displayed.

(2) Find the following product name in the list:

Flash Self Programming Library Type01 for the RL78 Family Ver.2.20

(3) Click on the hyperlink with that product name.

(4) Read through the AGREEMENT and click on "Agree".

(5) Download the revised product from the Download page.
