AES Library for RL78 Family Revised to V.1.05 Release 00

We have revised the AES Library for the RL78 Family from V.1.04 Release 01 to V.1.05 Release 00.

For details of the product, contact your local Renesas Electronics marketing office or distributor.

1. Description of Revision

- (1) The library supports the RL78 family C compiler package (CC-RL).
- (2) The speed of processing for encryption and decryption by the library has been increased.

2. Updating or Ordering

Online updating is not available.

For how to update your copy to the latest version or to order the commercial edition, contact your local Renesas Electronics marketing office or distributor.

To check the prices or order the library as a new product, contact your local Renesas Electronics marketing office or distributor with the following information.

Product name: AES Library for RL78 Family

Orderable part number: R0M7800QA0010RRC
